Glorybringer

Out of ten: 9/10

Thoughts: I really like this ship, it's fun, romantic and interesting with a lot of back story. The one thing I don't like is that it's a little bit cliche, but hey. Every book has to have a little cliche stuff, it's not a bad thing. I think their characters go together really well. I know loads of people think Deathbringer is to old for her, but honestly people, that's sort of stupid. Glory is seven, so she is an adult in dragon years. Deathbringers an adult. There's nothing wrong with flirting with an adult as long as it isn't against their will. People also complain about the age gap, which is also annoying, as in human years, yes, that might be a little much, but once again, they are dragons. Glory isn't a child, Deathbinger has never forced her into anything she is not happy with, there for there is nothing wrong with their relationship.

Tell me what you think. No hate. This is just my opinion

Art is not mine.

Deathbringer: I mean, who COULDN'T ship us?

Glory:Take a look at the next page

Greatbringer

Out of ten: 0/10

Thoughts: Blech. Not good. I don't ship it at all. Besides, sure Greatness seemed to like him, but not enough to save him from the volcano. They really don't go well togeather

Deathbringer: Ummm nope. Nope nope nope. Not. Gonna . Happen.

Glory: Who saved him from the volcano?

Everyone: GLORY!!!

Glory: That's right. Good, you read your books

Deathbringer: aww, so you do love me

Jambringer

Out of ten: 0/10

Thoughts: Um . . . who actually ships this? Cause like . . . ew. Gross. I just, can't. not gonna happen

Deathringer: W. . . what... great kingdome's what is this?!?!?!

Glory: Who dreamed up this moonforsaken trash? Come on out I'll melt out your eye balls!!!

Out of ten: 2/10

Thoughts: Nope. Sorry. I ship TurtleJou. No hate for those who ship Peril and Turtle. It dosn't make sense to me. Peril's really in love with Clay

GaaraXNaruto

GLORNAMI

Out of ten: 0/10

Opinion: Don't get me wrong, I'm all for lesbian ships and what not, but this one is just sort of... I dunno, un realistic? weird? something like that.

Deathnami

Out of ten: 1/10

Thoughts: (Choke* splutter*cough)

Um. No, no, no thanks, not for me. (Shudders) I mean it would be interesting, but no.

Tsunami really dislikes Deathbringer, and I don't really think he likes her much either. I don't think he HATES her, just I don't think that he LIKES her

Tsunami: Pfft. Yeah right. ME loveing that Moonyeyed idiot?! Not ever. RIPNAMI SHALL RISE (Did I say that out loud?)

Deathbringer: I could say the same thing fish princess. I feel bad for Riptide

Glory: ha!!! Under my dead body!!!

Clunny

(ClayxSunny)

Out of ten: 1/10

Thoughts: Their realationship is brother/sister. I have never seen any spark of romance between them. Besides, if Clay weant with Sunny, what would happen to Cleril?! AGHHHHH

Peril: (holds burning claws up to Sunny's neck) So do YOU ship this Clay? HUH? Tell MEEEE

Glory: . . .

starflight:CLAY!!! JUST TELL PERIL YOU LOVE HER BEFOR SHE KILLS SUNNY!!!

Me: Um yeah. Just tell her already. I need my ships!!! They are like vitamins. Good ones

Blacier

out of ten: 2/10

Thoughts: Can't really say I ever shipped this.

What about you guy's?

Sunnkat

Out of ten: 0/10

Thoughts: I know a lot of people ship this, but I find it really weird, I mean . . . they haven't met sooo . . . I dunno. + he is like . . . how much older then her?

So yeah. Nope. I don't ship this. Not at all.

SpottedLeaf X Fireheart

Out of ten: 5/10

Thoughts: I'm not very sure if I ship them or not, it's been a while sinse I read warrior cats.

Please tell me your thoughts :)

DarkSight

Out of ten: 8/10

Thoughts: I shipped them. They were very sweet togeather. I was so sad that they never ended up having dragonets🐉

¥Rayllum¥

Gruvia

Out of ten : 0/10

Thoughts:

I hate Juvia. I'm sorry Juvia fans, but I just can not stand her.

I ship Gray with me.

Been that b*tch

Still that b*tch

will forever be that b*tch

And I am not ashamed.

StarBringer

0/10

Thoughts: Hahahahaha

no.

nope.

absolutely not.

Deathbringer: Three moons why are there so many awful ships that have to do with me? Then again, It must mean I'm really popular. Ha!

Glory: So what did you and Starflight do on the Nightwing island?

D.B: Nothing . . . why?

Glory: Cause had to have done something to make some people ship you guys. Starflight?!

S.F: Yes?

G: What did you guys do?

D.B: Glory honestly, he showed up at my cell and we talked, that's all. Ask the readers.

G: Fine.

D.B: Great kingdoms, you are jealous

G: o///o

G: . . . what no, what makes you think that

Ripnami

[image]

Rating: 10/10

Thoughts: I think this is a great ship. I really hope there is going to be more of it in the future. I think Riptide is a good match for Tsunami, he seems quite level headed and cool minded, which are some of the characteristics she needs in a partner, given her sort of . . . hotheadedness and impulsive behavior . He also obviously cares for her a lot, and I'm sure she cares a lot about him too.

Tsunami: Uh, exCUSE me, I think you mean to say my CONFIDENCE and AWESOMENESS is just right for his character

(Image is not mine)

SunnyFlight VS StarSpeaker

Sunnflight

Rating: 9/10

Thoughts: I really ship Sunnyflight. I was devastated when Sunny said she didn't love him the way he loved her. At the same time I'm sort of angry at Sunny though, even though I know only too well you can't control how you feel about someone. Actually, correction, I'm mad at Tui. That's TWO of my ship triangles that went the wrong way. Sunnyflight and Winterwatcher. So yes, I'm sort of pissed. No hate on any Starspeaker fans though:)

Starspeaker:

Rating: 1/10

Thoughts: I just . . . can't bring myself to ship it very much.

But I'm not hating on Fatespeaker or anything.

It's just . . . my ship sank just before it reached the harbor, and ships are one third of the reason I stay alive so . . . I'm sad

Cleril

[image]

Rating: 10/10

Thoughts: Wonderful ship! All their moments are so cute! I really hope Cleril becomes cannon, like, officially.

Peril: *sobs

Kinkajou: oml Peril r u ok?!

Peril: Clay will never love me!

Kinkajou: That's so not true, here I'll help.

Peril: Wha- *Kinkajou drops a rock on her head

Peril: *is rendered unconscious

Kinkajou: OMG CLAY! Quick get over here and help me! Peril fainted

Clay: Oh My gosh! *Starts performing CPR

Kinkajou: Stupid! Don't do that, give her mouth to mouth! Right now!

Clay: . . . but she can breath-

Kinkajou: Just do it

* A few hours later

Peril: My head hurtsssss

Kinkajou: Forget that, Clay kissed you!

Peril: Wha- he DiD????

Kinkajou: Yup

Peril: *faints

Kinkajou: *fist pumps* I'm such a good friend!

Sunnyspeaker

Rating: 3/10

Thoughts: Well I can see it happening, the only reason I don't like it that much is that then Starflight would be left without anyone for a partner, I don't think I could take any more sad things happening to him :(

Poor Starflights been through so much already.

But definitely not the worst wof ship :)

Sunny: Oh. Oh . . . some people actually ship . . . oh

Starflight: What? What does it say? Fatespeaker, what does it say?

Fatespeaker: It says . . . oh . . .

Starflight: What?!

Sunny: . . . wow

Fatespeaker: lol wowza

Sunny: Crazy right?

Fatespeaker: SOo crazy XD

Sunny: Like . . . WHaT

Fatespeaker: TotalLy

Starflight: WHAt doES it SayY????!!!!!!!!
